MISS NELSON

Wishes the ladies of Barre to consider these facts:

Miss Nelson's styles are correct and the latest importations arrive twice a week.

Miss Nelson's Millinery Parlors are located at 200 No. Main St., up one flight. This makes her rent for the year less than the rent for two months for a street floor store. This difference of expense makes it possible for Miss Nelson to sell her millinery ten per cent cheaper.

To The Ladies of Barre and Vicinity

I wish to announce that I have completed arrangements with the American Ladies' Tailoring Company of Chicago to represent them in this locality. The complete line has arrived, and comprises 72 distinct styles, and 278 different pieces of material for your inspection. This service is strictly made to your measure and guaranteed in every respect.
